Sheriff's Patrol Cars Honor Veterans

Somerset County Sheriff Frank J. Provenzano, left, and Freeholder Director Rick Fontana show off a new patrol-car decal that pays tribute to veterans. The slogan -- "Land of the Free ... Because of the Brave" -- was added above and below the American flag that already graces both sides of the department's 18 marked patrol cars. "This is our office's small way of honoring all the brave young men and women who have served in the past and the military personnel serving now around the world to keep our country free," Sheriff Provenzano said. "It is a fitting token of appreciation to those who have served and those who are serving to protect our many freedoms," Freeholder Fontana said.
