Dear Friend,

The Sheriffs' Association of New Jersey is asking for your support. Our association represents every Sheriff's Office in the State of New Jersey. Each year we look for assistance by requesting a donation that we use to help our association operate, plan, and support projects that directly benefit the residents of New Jersey. This is the only form of solicitation used by the Sheriffs' Association of New Jersey. All donations are received directly and entirely by the association.

The money generously donated by you and your fellow New Jersey citizens will be used for a number of programs, charities, and overall operations of the Sheriffs' Association of New Jersey. We sponsor a number of youth programs including: camps with the Boy Scouts of America, BSA Explorer Posts at various Sheriff's Offices, McGruff the Crime Dog with Danger Stranger Programs and Bullying Programs, the D.A.R.E. Program, and the Eddie Eagle Gun Safe® Program which teaches children four important steps to take if they find a gun. Last year alone, thousands of children benefited from these programs.

Our Sheriff's Offices run crime prevention programs, neighborhood watch programs, and TRIAD for our senior citizens. These much needed funds will also support The Project Lifesaver Program, which aides in the rapid recovery of senior citizens effected by Alzheimer's disease and children with Autism who may wander from home. Each Sheriff's Office throughout the state also supports America's National Night Out Against Crime.

The membership of the Sheriffs' Association of New Jersey looks forward to serving the communities throughout our state. We thank you for your continued support and we wish you and yours a safe and happy year.

Yours in Law Enforcement,

John G. Armeno
